The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF COOPERATIVE AGREEMENT #05-248 WITH THE CALIFORNIA
DEPARTMENT OF FOOD AND AGRICULTURE TO PROVIDE FOR THE DETECTION
OF MEDITERRANEAN, ORIENTAL, MEXICAN FRUIT FLIES, AND OTHER EXOTIC
PESTS IN LOS ANGELES COUNTY
(ALL DISTRICTS) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Agricultural Commissioner/Director of Weights and Measures (ACWM) to sign the accompanying contract with the California Department of Food and Agriculture (CDFA) for the detection of fruit flies and other exotic pests in the amount of \$3,617,178 effective July 1, 2005 through June 30, 2006.
2. Authorize the ACWM to sign and execute the term of amendments as may be necessary to complete the Pest Detection Program described in this agreement not to exceed 10% of the total contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the above action is to enable the ACWM to continue maintaining an insect trapping program to place, service, and relocate 26,751 traps to detect and prevent the establishment of exotic fruit flies and other exotic pests in Los Angeles County.

The County of Los Angeles is unique due to its large size and its international airport through which exotic pests from foreign countries may arrive. Additionally, the mild

climate and mobile human population is such that it increases the year-round potential for pests or disease infestations. Therefore, recent legislation (AB 1896 / California Food and Agriculture Code Section FAC 486) has been passed to make the individuals who tend these traps year-round employees. This is consistent with the Board's policy on permanent status for those County employees who perform full-time, year-round work.

The emergency nature and the timeliness of response to certain insect finds may require the ACWM to sign and execute amendments to fund additional work that may be required for the pest detection program described in this agreement. We request that the Board delegate authority to the ACWM to sign amendments to the contract not to exceed 10% of the amount of the contract.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

This agreement supports the County's Strategic Plan Goal 3.3.1 for organizational effectiveness. Service is enhanced to Los Angeles County residents through a locally administered program as part of a statewide program to detect and eradicate harmful exotic fruit fly infestations before they become established and cause crop loss for growers and residents.

FISCAL IMPACT/FINANCING

There is no effect on the Department's net County cost.

CDFA will provide \$3,617,178 for direct and indirect expenses to the County. This amount includes an additional \$322,738 over last year's contract to appoint 15 of the temporary Inspector Aids to permanent positions as required by FAC 486. The cost of this program is 92% revenue offset.

FACTS AND PROVISIONS/ LEGAL REQUIREMENTS

This contract is for the period July 1, 2005 through June 30, 2006.

AB 1896 was signed into law September 21, 2004, requiring the appointment of additional Agricultural Inspector Aids from temporary to permanent status in Fiscal Years 2004-05 and 2005-06. The State budget has allocated \$760,000 to cover these costs, which was reflected in the Department's 2005-06 Adopted Budget.

The contract has been reviewed by County Counsel and is approved as to form.

The Honorable Board of Supervisors
June 14, 2005
Page 3

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended Board action will support the program services for the entire 2005-06 Fiscal Year.

CONCLUSION

When approved, please return to this Department the standard agreement # 05-248 and the minute order authorizing the Agricultural Commissioner/Director of Weights and Measures to sign. My department will forward the documents to the CDFA Contracts Office.

Respectfully submitted,

Kurt E. Floren
Agricultural Commissioner/
Director of Weights & Measures

SCOPE OF WORK

1. Contractor agrees to provide the services described herein:

County shall provide services for placing and servicing traps for the detection of exotic insect pests which are considered hazardous to agriculture and to the economy of California. Those insect pests may include but are not limited to the detection of the Gypsy moth, Japanese beetle, Mediterranean fruit fly, Oriental fruit fly, Melon fly, Mexican fruit fly or other miscellaneous fruit flies such as the guava fruit fly. This Agreement includes eventual delimitation detection work associated with detection of one or more life stages of the above target pests in a county (delimitation detection is normally performed by the Department of Food and Agriculture (CDFA). In rare occasions, the county may be asked to assist. If this were the case, the county will be reimbursed for expenses).

2. The services shall be performed in and throughout the **COUNTY OF LOS ANGELES**.

4. CONTRACT SPECIFICATIONS FOR STATE-COUNTY INSECT PEST DETECTION TRAPPING

AGENCY RESPONSIBILITY

Section 1

The California Department of Food and Agriculture shall:

- A. Provide all traps, trap parts, and lures.
- B. Provide technical assistance and training to county agricultural commissioner personnel on the use of traps and detection procedures.
- C. Assist with and review the county's trapping programs annually for the purpose of establishing and approving the FY-Commitment Form, which is attached hereto and made part of this agreement.
- D. Provide county trappers with copies of the CDFA Insect Trapping Guide.

- E. Provide an annual training program specifically for trapping supervisors in which all counties shall participate.
- F. Receive from the county the Dibrom treated wicks used in trapping.

Section 2

The County Agricultural Commissioner shall:

- A. Place and service the minimum number of each trap type specified on the Commitment Form. Unless instructed otherwise by CDFA, trap densities, trapping periods, and servicing schedules shall conform to those specified in the CDFA Insect Trapping Guide under "Definitions" for individual county situations. Unless instructed otherwise by CDFA, ensure that all trapping procedures and protocols adhere to those outlined in the Insect Trapping Guide. A copy of the Insect Trapping Guide shall be kept in the trapper's vehicle for reference.
- B. Ensure that all deployed traps (except McPhails) are numbered and that at each servicing they are dated. Indicating on them when rebaited. Trapping activities, including seasonal hiring and training (see trapping activities defined under "Definitions" in the Insect Trapping Guide) will start on the dates shown below. Traps will be removed on their final servicing prior to the end of the season, but not later than the dates shown below.
- C. * Ensure that Medfly, Oriental fruit fly and melon fruit fly traps are serviced every 14 days; July 1, 2005, to June 30, 2006.

Medfly traps in rural areas will be serviced once each month and relocated at that time.
- D. Ensure that McPhail traps are serviced every seven days; July 1, 2005, to June 30, 2006.
- E. Ensure that Medfly traps piggybacked with McPhail traps outside of a PRP area, are serviced every seven days; July 1, 2005, to June 30, 2006.
- F. * Ensure that gypsy moth and Japanese beetle traps are serviced every 14 days; July 1, 2005, to August 30, 2005, and June 1, 2006, to June 30, 2006, or as determined by the CDFA District Entomologist. Gypsy moth traps located in remote areas may be placed in the spring and recovered in the fall with no interim servicing.
- G. Send trapping personnel to training provided by state detection entomologists.
- H. Make a monthly report to the State on Form 66-035 (Rev. 6/94) (Pest Detection Report Number 1) of all traps deployed and serviced during the month. Report all traps added or removed and the total number of servicing during the month. Do not count trap relocation as "removed" and then "added". A servicing is an inspection of the trap for the presence of the target pest. THIS REPORT MUST BE SUBMITTED WITH THE MONTHLY INVOICE FOR THE SAME TIME PERIOD.
- I. Provide one set of trapping records for all traps. This set, in the form of a "trap book," will indicate the exact trap location using a site map and all information regarding servicing, baiting, and relocation of traps.
- J. Maintain county wall maps with numbered square-miles grids, depicting density of all traps deployed.

- K. Allow state detection personnel and/or federal PPQ officers to perform quality control inspections on all county trap lines including any specified county commitment trap lines.
- L. Allow state detection entomologists and/or federal PPQ officers to accompany trappers and/or supervisors in the field. This will be credited as field training for county personnel.
- M. Maintain an inventory of known fruit fly host sites. The inventory shall be organized by square mile, contain the address of host property traceable to the nearest cross street, and indicate all known hosts on that property. The inventory shall be updated yearly. The multiple trap card system will suffice for this inventory.
- N. Maintain on a daily basis a form 60-210 (Daily Trapping Summary) for each trapper. This form will be made available to the district entomologist for review for an 18-month period.
- O. Submit a completed form 60-223 (Trapping Hours/Year Worksheet) along with the budget display for each fiscal year trapping program. Form 60-223 will be prepared by using the Standard Trap Servicing per season form.
- P. Those counties generating Dibrom treated wicks (Oriental fruit fly and Melon fruit fly detection traps) will possess a CAI number issued by the California Environmental Protection Agency.

* The trapping period in portions of mountainous or northern counties may differ from that stated by prior agreement with the California Department of Food and Agriculture.

*** AB 1896 is hereby incorporated by reference, and the Contractor's failure to comply shall be deemed a failure of consideration.**

EXHIBIT D
(County Agreement)

The State of California is exempt from federal excise taxes and no payment will be made for any taxes levied on employees' wages. California may pay any applicable sales and use tax imposed by another state.

2. Settlement of Disputes

In the event of a dispute, Contractor shall file a "Notice of Dispute" with the CDFA within ten (10) days of discovery of the problem. Such Notice of Dispute shall contain the Agreement number. Within ten (10) days of receipt of such Notice of Dispute, the Agency Secretary, or Designee, shall meet with the Contractor and the CDFA project manager for the purpose of resolving the dispute. The decision of the Agency Secretary or Designee shall be final. In the event of a dispute, the language contained within this Agreement shall prevail over any other language including that of the bid proposal.

For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

5. Potential Subcontractors

If Contractor subcontracts out a portion of the work required by this Agreement, nothing contained in this Agreement or otherwise, shall create any contractual relation between the State and any subcontractors, and no subcontract shall relieve the Contractor of his responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

6. Right To Terminate

The State reserves the right to terminate this Agreement without cause subject to 30 days written notice to the Contractor. However, this Agreement can be immediately terminated by the State for cause.

Contractor may terminate this Agreement for cause and be relieved of any further obligations subject to a 60-day written notice to the State, only if contractor can no longer perform its responsibilities or if the State fails to perform its responsibilities as provided herein. Upon such termination, the State shall be relieved of any further payments and this Agreement shall be cancelled.
